NOTICE OF PUBLIC MEETING

Date: Thursday, November 5, 2020

Location: [Microsoft Teams Meeting](#)/Conference Call
Dial 1-248-509-0316 / Conference ID 318815406#

Time: 9:00-11:00 a.m.

In accordance with Governor Gretchen Whitmer and the Michigan Department of Health and Human Services' recommendations designed to help prevent the spread of Coronavirus Disease 2019 (COVID-19), along with [Executive Order 2020-129](#) declaring public bodies, subject to the Open Meetings Act, can use telephone or video conferencing technology to meet and conduct business, the Logistics and Supply Chain Collaboration Commission (LSC) and the Governor's Port Advisor Committee will be holding a joint meeting via Microsoft Teams video conference call on November 5, 2020, 9:00-11:00 a.m.

The purpose of the LSC is to advise state agencies on initiatives to improve the efficiency and cost-effectiveness of supply chain management for businesses. The 10-member commission represents private business, transportation, border operators, local economic development agencies and higher education. LSC was created by PA 76 of 2013, signed in law by Governor Rick Snyder in June 2013. The commission is housed in the Michigan Strategic Fund and replaces the former Michigan Commission and Supply Chain Management and Development. Members' terms expire at the pleasure of the Governor.

All meetings of the LSC are open to the public, and participation is encouraged. Attendees who require mobility, visual, hearing, written, or other assistance for effective participation, should contact Bernadette Stone at 517-335-3001 or StoneB@michigan.gov in advance and no less than five (5) business days prior to the scheduled event. Reasonable efforts will be made to provide the requested accommodation or an effective alternative.
